Miracle Report Application

(New Features and Facilities)

Topics

- The following topics are covered in this document:
 - Add company using QR Code.
 - How to sync data in report app.
 - Company Information.
 - > Application Lock.
 - Contact detail in Account Ledger and Outstanding Reports.
 - Date Range in Account Ledger, Product Ledger and Register.
 - Product Ledger: Default Format & Detail Format.
 - Closing Stock in Product Ledger.
 - > New formats in A/c. Receivable & Payable.
 - Share party detail from Address Book.
 - Sales/Purchase Register.
 - Feedback.

Rate us.

- With the successful experience of Miracle Report Application, we are now introducing few more facilities in upgraded version of the application.
- Application lock, Company information, QTY2 in product ledger and many more facilities will be available.
- Let's check it out...
- Download "Miracle Report" application:
 - For Android users

https://play.google.com/store/apps/details?id=com.rks.mreport

For iPhone users

https://apps.apple.com/in/app/miracle-report/id1195770516

Add Company Using QR Code:

Now, user can add a new company in Miracle Report app by scanning QR code. This feature is available in **Web** synchronization.
